A Handbook of prophetic prayer

“We also have the prophetic message as something completely reliable, and you will do well to pay attention to it, as to a light shining in a dark place, until the day dawns and the morning star rises in your hearts.” (2 pt 1:19)

LIGHT OF PROPHECY

Prophetic Prayer Guide

2

I believe that you might have prayed earnestly for the prophecies which you have received last month. As you know, prophecies are being revealed by the Lord, for us to pray and let others know of it and make them to pray for it.

The aim of a true prophecy would in letting people know things, that are in the heart of the Lord. Last days are those that are filled with horror and evil. This is the period in which the tricky deeds of Satan, targeting all kinds of people would spread fiercely. In this time period, the Lord has many things to warn His people about it. The Lord reveals it, then and there through His ministers and creates awareness amidst His people.

It is necessary for us to understand and to escape from the evils of the last days about which the Lord warns us and to remain watchful and pray for it. This is what has been emphasized in Luke 21:36.

Even in this month the prophetic words of the Lord

are compiled and given to you so that you shall pray for it.

This time the prophetic words revealed by the Lord regarding the evil Canaanite spirits that execute it's deeds in these last days have been written in this book. As you have already known, the Canaanites were the ones who begin to worship the fallen angels in this world. It is through them that worships that are done for evil spirits and things like black magic entered the world. The scriptures in the book of Revelation(Rev 9:2) points out that fallen angels that are cast down to hell, would come up from hell again and execute it's deeds on this earth.

Though all the names of evil spirits that came up from hell is not mentioned in the scriptures, we could see the names of few being mentioned in the scriptures (Revelation 9: 11). In this book the deeds of the evil spirit and the details of the evil spirit that set out amidst the nations at specific time periods and which execute it's deeds amidst the nations have been mentioned in this book. It has been given unto your hands so as to thwart the deeds of these spirit through your prayers and to weaken them by waging war in your prayers. At the end of each revelation, the prayer points for which you ought to pray, have been given and beyond this it is good if you pray for those things for which you are being lead to pray. Let's pray, pray, the Lord is coming soon.

In Christ,

The Spirit Of Satan That Target The Churches

First week

Revealed on :19.10.2013

Revealed at : Jerusalem

When I was waiting and praying in the presence of God in Jerusalem, the vision that I saw was that “when the wicked spirit, Adhremelech, was coming up from of the bottomless pit, I saw rocks falling down from the heaven. And the Lord spoke unto me saying “the rocks are the wicked spirits which shall descend from the heaven”. Apart from that the Lord also revealed their individual roles which they will perform. “ When the first two rocks shall fall down from above, the wicked spirit from the bottomless pit, namely Azbeyeal shall set out to assist him. This wicked spirit shall target the servants of God and will make their children to go astray.

It will gather those women who gave themselves to sinfulness and make them as it's accomplice and fill their hearts with intense lustful passions and strange sinful deeds and through them, it will tumble such people who speak the words of God and those who set out to accomplish the acts of God and the warriors who fight in His battle.

It will also sow the seeds of sinfulness and passions in the tabernacles of God, and will entice those who dwell therein. Then all such people will become like the ones, who have been mesmerized, and who cannot see the

magnificence of God. They will preach lustful things to their flocks and will give sinful things to drink. They will also teach the sinful things as good and that sin is a pleasure given by God. He further said that innumerable thieves will rise up and arouse the desires of the flock and will make them to go astray.

Explanation of Prophecies

The Lord has revealed that evil spirits has descended from heaven to sow sin and strange lustful activities in the church of God so as to weaken them and make them go astray from the Lord. We can see that these things, which has been revealed by the Lord many years back, is spreading fiercely in many places. The Lord has revealed that, evil spirits of hell such as Adhremelech and Azbeyeal are coming up from the bottomless pit so as to help these spirits. The Lord has revealed that these spirits has joined hands and set out to destroy the churches of God and to make the children of the ministers of God to go astray from the Lord. Now we can see that doctrines that offers the people of God to drink sin have multiplied. Hence it is necessary for us to use our weapon of prayer continually. This is the time period for us to wage war against these evil spirits.

FUAH, WHICH BRINGS FALSE RELIGIOUS FAITH

SECOND WEEK

Revealed on :19.12.2014

Revealed at : NALUMAVADI

The Lord is revealing the details about the Canaanite spirits, which are striving to execute their deeds in these last days, so that we may bind the works of their hands and that we may chase them by rebuking and praying. The name of the spirit which we have taken today is Fuah.

Fuah , one of the fallen angels, a spirit worshipped by the Canaanites, belonged to the company of spirits, which destroys mankind. This spirit which acted as destroyer to God, revolted against Him and hence he was cast down and he was bound with chains that is meant to bind the angels which disobeyed God. Since Canaanites worshipped by offering human sacrifices, and strengthened it by the blood, it came up out of the abyss and portrayed itself as a God before the Canaanites. The Canaanites worshipped it as the God of violence and warfare.

It's appearance is like a beast, which we have never seen before, with it's wings, raised upwards and black in colour, in the similitude of a stork. It is capable enough to execute the work of its hands by which it can hunt down the lives of men and kill and annihilate a large multitude of people simultaneously.

It can also control the thoughts of men and imprison the thoughts of their heart. It will fill the hearts of men with thoughts of despair, confusion and anxiety , on account of which it will make them weary and lead them to commit suicide.

People committing suicide in the name of religion and spirituality and those who commit suicide having unable to face challenges in life are the works of this wicked spirit. Apart from this, it will provoke men to commit murders; the so called Mass deaths, where people die in large numbers, is also the handiwork of this spirit, which it executes.

This spirit, which hunts down the lives of countless number of people through accidents, riots, arsons and toxicants, has now descended upon the nation of India, and executing the work of its hands by killing people in the name of religion, farmers suicide, students, and provoking the youths to commit suicides. This spirit shall strengthen through bloodshed so as to establish itself in the last days. Pray feverently so that it's conspiracies and deeds shall be bound.

EXPLANATION FOR THE PROPHECY

The Lord has revealed the name and the tricks of the spirit which controls the mind of people and disable them and thereby lead them towards committing

suicide. Satan on knowing that if one's mind is brought under control, then they could be disabled, he is working feircely on it.

This is a murderous spirit of mankind that leads people towards committing suicide and provokes murderous thoughts so as to kill the people. In the name of religion, and having unable to face the challenges of their life, it turns their mind into an ideal one and fills it with confusion. This spirit has descended to catch hold of students and young men. This spirit which is the reason for increasing number of suicides in our country should be bound. Hence we ought to pray feverently for it.

THE SPIRITS THAT CONTEND AGAINST THE REVIVAL

THIRD WEEK

Revealed on :19.12.2014

Revealed at : NALUMAVADI

The Lord has revealed and spoken about the spirits of hell even in the year 2014 which has entered into India so as to work against the revival of India. The Lord has revealed all the important things beginning from their former names to their deeds. The Lord has revealed it to us, so as to bind it's works and to rebuke and drive away these spirits which have set out to work against the revival. In this context Beleth is the name of the spirit, which we have taken for our prayer.

Beleth, is a spirit which controls the powers and authority. During the ancient days, it was this particular spirit which controlled Nimrod, a barbaric dictator. This spirit keeps under its control, the power, authority and dominance and through this, it works against the will of God.

The Lord has revealed that, at present, this wicked spirit will strongly contend against revival. This spirit is conspiring to turn the hearts of the rulers and those who are in power, against the people of God, so as to terrify and scatter them. His presumption is that, if he brings persecutions against the people of God, then their attention will deviate from revival.

This spirit will earnestly strive to weaken and vitiate the glory of God and defile it. It is this particular spirit which is working to transform the Church of God and the servants of God, into business and commercial oriented institutions. Owing to this, the ministeries and the servants of God, will labour for their own names. They will emphasize and focus only towards their own brand. As a result they will not be able to love and unite themselves with others.

It is this spirit, which guides the ministeries and churches of God, to focus money and that they will minister for the sake of money. This spirit will also cause the hearts of the servants of God to be negligent towards the people and make the servants to become selfish. The appearance of this spirit will be like that of a large Monitor Lizard, having long elongated neck with several heads. Pray so that this spirit may be bound which obstructs the revival.

EXPLANATION FOR PROPHECIES

The Lord has revealed that this evil Canaanite Spirit Beleth works against the revival, which the Lord has promised us. It is this particular spirit which is working to transform the Churches and the ministers of God, to do ministry focussing the money. And not only that it makes the ministers of God to minister unto the organisations to which they are linked. This is the spirit that is conspiring to turn the hearts of the rulers and those who are in power, against the people of God and bring persecutions for them. This spirit will

earnestly strive to vitiate the glory of God. This spirit which holds power should be driven away from our country. Churches and ministeries should turn unto the Lord and minister unto the Lord alone.

PRAYER PETITIONS

1. Pray so that this evil spirit Beleth that controls authority shall be bound in the name of Jesus.
2. Pray so that all the works of this evil spirit which keeps authority and power under its control and work against the will of the Lord shall be destroyed.
3. Pray so that all the deeds of this evil spirit Beleth which is conspiring to turn the rulers and those who are in power, against the people of God, so as to terrify and scatter them shall be bound.
4. Pray so that all the deeds of this spirit to bring persecutions to the people of God and to deviate their attention from revival shall be bound and that evil men who are being used by this spirit shall be scattered.
5. Pray so that all the evil deeds of this spirit Beleth which works fiercely to limit the glory of God shall be destroyed.
6. Pray so that the Lord may yeild His strength and power to the warriors who wage war against this evil spirit Beleth.
7. Pray so that all the deeds of this wicked spirit Beleth to turn churches and ministries into business and commercial oriented institutions shall be bound.
8. Pray so that the Lord shall redeem His people from the trickery of this spirit which turns the ministries and the servants of God to labour for their own institutions and also pray so that the Lord shall protect His people from the tricks of this evil spirit which makes them to go astray from the Lord and not to yeild fruits for the Lord.
9. Pray so that this evil spirit Beleth which guides the ministries and churches of God, to focus on money and minister for the sake of money and thereby bring negligence amidst them shall be

bound.

10. Pray so that all the deeds of this spirit amidst the ministries to make them emphasize and focus only towards their own brand and as a result make them not to love and unite themselves with others shall be bound.

12. Pray so that all the tricks of this spirit Beleth which works to deviate the ministers and churches of the Lord from will of God shall be destroyed.

THE SPIRITS THAT TARGET THE SERVANTS OF GOD

FOURTH WEEK

Revealed on :19.10.2013

Revealed at : JERUSALEM

When the Lord was speaking about the deeds, which will be executed during the last days by the wicked spirits which shall descend from heaven and the spirits that shall come up from the bottomless pit, I enquired with him as to what should I do, so as to obstruct them?

Unto which He replied saying “ the time given to them is irrevocable. However, if the people God were to first bind his strength and authority when the adversary manifests himself in his appointed time, then there are possibilities for the consequences to be drastically reduced.

But during the days when Satan descends, the first thing that he will seek is the renowned people of God, their altars , their habitations and their places of worship. These are the places that appear to be kept opened for him and his hosts.

The altars which are called as the altar of God are defiled through idolatrous and dishonouring words. The places of worships are filled with lustful passions and shouts that arouse the flesh. The wages of unrighteousness are found in the gates of their habitations.

If the people, who bear My name and have forsaken My commandments were to humble themselves and return

to My ways and make amendments and glorify Me with the honour that is due to Me and gather not the wages of unrighteousness in their habitations and instead gather the poor and the needy, and remember the forgotten and ones and look unto me and lift up their hands and intercede on account of the events that surround them then I will send My angels and will vitiate the strength of adversary . The nations will be guarded and your nation will be protected too.

EXPLANATION FOR PROPHECIES

The Lord has revealed that evil spirits are going to descend targeting the churches of the Lord. And the Lord has revealed that the renowned people of God, their altars , their habitations and their places of worship are the places that appear to be kept open for the wicked spirits to descend. If the children of God were to humble themselves before God and take burden and pray for the events that surrounds them, then I shall vitiate the strength of the adversary is what the Lord has spoken. If we shoot our prayers as a weapon continuously for the churches, ministries and against the spirits then there is not doubt that these spirits shall be weakened.

PRAYER PETITIONS

1. Pray so that the evil Canaanite spirits that descends to defile and destroy the altars and worship places of God shall be bound.

2. Pray so that men who defile the altar of God with dishonouring and idolatrous words shall repent.
3. Pray so that evil spirits that have set out to defile the altars of Christ shall be bound and that evil servants who fill the hearts of people with lust and offer them sin to drink shall be disabled by the Lord.
4. Pray so that the evil spirits that works to defile those chosen and called by the Lord shall be bound and that it's works shall be destroyed.
5. Pray so that ministers of God who bear the name of the Lord and who have forsaken Him shall repent and humble themselves before God and glorify Him.
6. Pray so that the people of God shall identify those ministers who have forsaken the calling given by the Lord and have sold themselves to the wages of unrighteousness and that the Lord shall grant them grace to safeguard themselves from following them.
7. Pray so that, as promised earlier the Lord

shall sanctify His churches and His ministries this year. Pray so that the churches shall be sanctified as desired by the Lord and that people of God shall arise zealously for the sake of the Lord.

8. Pray so that the Lord shall tear the masks of false servants who do not give glory to God and that all the deeds of the evil spirit to deviate the people from God shall be bound.
9. Pray so that the warriors filled with the spirit of the Lord shall arise to weaken the adversary before he defiles the churches.
10. Pray so that the tongues of the elderly ministers of God shall be unbound so that they may condemn false servants and that the Lord shall use them again.
11. Pray so that the churches may repent and realise it's responsibility and return to the Lord, from receiving the wages of unrighteousness and to surrender themselves to ways of the Lord.
12. Pray so that the churches shall gather the poor and the needy, and remember the forgotten ones and repent and look unto the

Lord and know His burden and lift up their hands and offer their prayer as incense.

13. As the time given to satan is irrevocable, pray by committing the ministries and the churches unto the hands of the Lord, so that Satan shall not destroy the churches in those days.
14. Pray so that all the powers that hinders the churches from repentance even upon hearing the word of the Lord shall be bound.

What kind of prophecies would serve as light in the darkness?

While we see darkness encroaching upon us, we lit lamps and spread light around us; in the same way, the Lord has made lamps to safeguard us while we see the darkness encroaches the nation. Prophecies given by the Lord are one amidst them. As we already know that prophecies serve as lamps and that pondering on those in the days of darkness shall yield goodness is the advise given by the scriptures to us. (2 Peter 1:19)

It is true. There is no doubt in that the prophecies given by the Lord would serve as lamps that shines in the dark. It is natural for us to have a question in our mind that, since more than 80 percent of the scriptures are filled with prophecies, what prophecies should be used as lamps in the days of darkness?. For example, the Lord said to Abraham that “Know certainly that your descendants will be strangers in a land that is not theirs, and will serve them, and they will afflict them four hundred years”even these words are prophetic words.(Genesis 15:13)

Think of whether we can use these prophetic words as lamps in the days of darkness. Surely we cannot. But surely these are prophetic words. May be Israelites could have used these prophetic words as lamps during the dark days of their

slavery in the nation of Egypt. Because these are special prophetic words that are given for them alone. When such type of words are being remembered, there are chances for the effect of darkness to diminish in their hearts and for the dawn of light of faith that soon these days of persecutions shall come to an end. But we cannot use them in these days.

If this is so, then what type of prophecies should be pondered upon to be used as light?.

We could see all over the scriptures that the Lord foretells about the days of darkness to His people, then and there. The Lord had prophetically foretold about the days of darkness such as wars, imprisonment and famine before His people would face it. In those prophetic words revealed by the Lord, the forth coming dangers, the period of its extent and the effects of it and the deeds that are to be done by the children of God in those days would be there. These are things which should be concentrated upon in the days of darkness.

Daniel was practicing it. In the dark days where he was imprisoned under the Chaldeans, he was pondering upon the prophetic words that was foretold about these dark days by Jeremiah even before these could happen. He didn't overlook it but rather was analysing it (Daniel 9:2).

Since Daniel was pondering upon those light of prophetic words,even in the days of darkness, he was safeguarded from being affected much by the darkness.

Hence the prophetic words that are to be used are

those which have been foretold about those specific time periods. Only those would serve as lamps and protect from being affected by darkness, when the darkness encroaches us.

We can see that in the days that we live, the darkness are encroaching upon us in every way. No one can deny that darkness is spreading in all departments such as families, societies, economy, politics and churches. In this situation it is necessary for us to concentrate on what the Lord has foretold about the dark days that are prevailing now and about the much darker days that are yet to come and follow the methods of how to use it.

Not only by holding the lamps but also by spreading the light around us we can thwart the effects of darkness. It is for this we are taking a simple step of making the people to concentrate upon the prophetic words that the Lord has foretold about the days in which we live and to encourage them to pray for it and to spread these words amidst others.

In context with it, I choose the prophetic words spoken by the Lord during my prayers, about the days in which we live and about the deeds of evil that would come upon these days, then and there and speak about it in my messages. Further we turn it into small pamphlets and distribute amidst the children of God for the purpose of praying. As prophecies are meant for only those people who believe in the Lord, we distribute it amidst the Christians alone and create an awareness in them and make them to pray for it.

As a first step we are spreading the words spoken by

the Lord about the dangers that shall befall the families, youths, children and women and about the snares that are kept for them, amidst the children of God to create an awareness amidst them.

The people of God who are with our ministry in places at Chennai, Madurai, Ramnathapuram, Bangalore are spreading very seriously the prophetic words spoken by the Lord for families. Within this one and half month alone they have distributed about five lakh tracts. Along with us prayer cells in Tumkur, Karnataka and around the Gold mines of Kolar and few children of God from Kerala are indulged in this mission. They met the children of God and distributed the prophetic tracts amidst various churches.

These tracts have been released in the languages of Tamil, English, kannada, Telugu, Malayalam, Hindi, oriya, sinhala and Chinese. Children of God in Singapore and Sri Lanka have also joined in this mission and are spreading these prophetic words of warning in their locality.

If you need to take part in this great Job of spreading the light against the darkness, you can receive the tracts from us and distribute it amidst the Christians in your locality or else you shall receive the prophetic magazine and pray for it either as a family or as a team or individually.

If you want to join in this mission, you can contact any of our office numbers that is near your locality which is mentioned at the back of this book. Then our ministers would convey the necessary details and help you.
