True prophecies are very important because they are messages from God. The Bible says; “Where there is no vision, the people perish: (Proverbs 29:18)”. Hence prophecies are meant to comfort us, prepare us and warn us.

The Lord, by His enormous grace has bestowed many such prophecies into my hands; pertaining to His plans, the enemy’s craftiness and the destructions that shall befall the people and the land. I hand over portions of these revelations into the hands of those who “*do not despise prophecies. (I Th. 5:20)*” and unto those who can intercede with a burden in their heart. This Handbook is published so that you may learn about the words, Which the Lord has forewarned, Concerning the Perils that shall fall upon the Nation of India and The state of Karnataka and pray for them. Read intently and Know the Prophetical words of God and Pray for them.

I hope and pray that you will prepare yourselves and others also; and become worthy to stand before the Lord at His Coming.

You Loving Brother,

*~Vincent Selvakumaar~*

# Why Must We Pray?

We must all learn to pray and we must not limit our prayers. The Lord knows our needs and He will provide us with everything at the right time for it is written 'Even before there is a word on my tongue, Behold, LORD, You know it all (Ps. 139:4).'

But our vessels will overflow only when we begin to pray for others. The perfect example is when The Lord commanded His disciples to serve the 5,000 men with five loaves and two fishes. Many argue about their family problems, debt and health issues; and showcase them as a reason for not praying saying they will have the faith to pray for others only when the Lord heals them. However, in the above scenario... even the twelve disciples had not eaten for three whole days and were hungry along with the 5,000 men. The Lord asked them to serve others irrespective of their hunger... but at the climax of the scenario, the disciples were left with twelve baskets of food. The one who ate early had just one meal, but the one who served others got a basket full. This is the Lord's way... and when you begin to

pray for others irrespective of your situation (problems), the Lord will fill your basket.

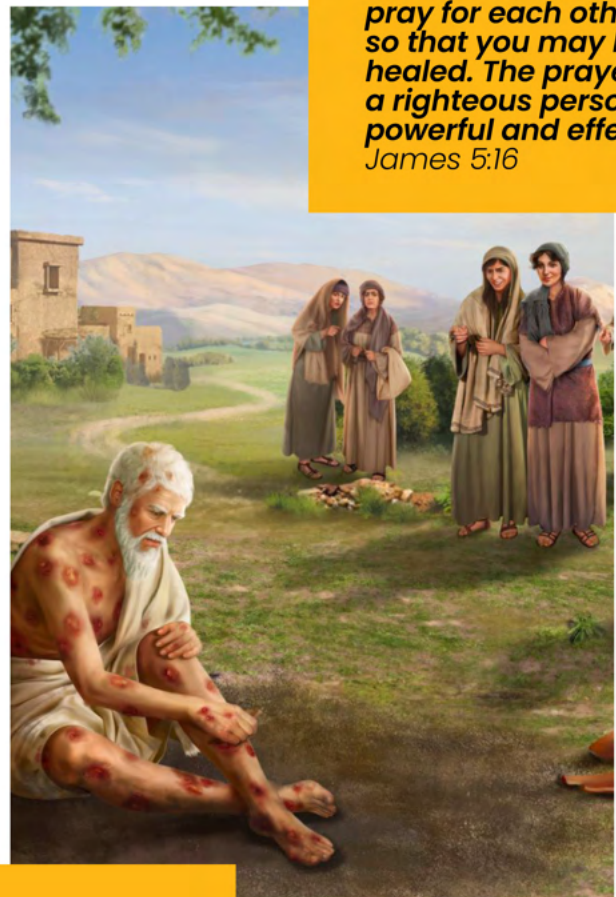

Another reason to pray for others is found in the life of Job. Irrespective of his sufferings, the Lord commanded him to pray for his friends. The Bible says; 'the LORD turned the captivity of Job, when he prayed for his friends (Job 42:10)'. You and your family might be in captivity, however when you pray for others, the Lord will deliver and restore you. When a man prays selflessly for others, he becomes worthy of deliverance and blessings. Beyond everything, the Lord Jesus has said 'Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man (Lk. 21:36)'. Hence, in order to be guarded from all the evils of the world, one must pray always. These are not normal prayers, but prayers which will make you worthy to stand before the Lord. Therefore weep, wail and lament for others in your prayers. Pray with the Lord's burden and pray with His Spirit!

*Then he gave them to the disciples, and the disciples gave them to the people. they all ate and were satisfied, and the disciples picked up twelve basketfuls of broken pieces that were left over. Matthew 14:19-21*

# Pray for India

“Continue steadfastly in prayer, being watchful

**1** The wicked spirits have risen up and are devising schemes so as to ravage the lives of people who are relying upon the agriculture and ruin them in such a race ever existed and that the labour of their hands to go in vain. Their race had already begun now; you can delay no longer; depart. The reason that I consented for them is that they will manifest. If they reveal themselves unto you, then you will be able to identify them. For, it is only then that you will begin your war and destroy them,

says the LORD God of Hosts. In case if you fail to do this, death shall swiftly fall upon the habitation of the peasants of your nation.

**2** Ravening wolves have come up in large numbers so as to devour the people and forbid men from consuming the fruit of the labour of their hands and also to suckle the blood. Behold large number of Kites have also come up over your nation so as to devour the fat of the bones of the people.

**Whoever oppresses the poor for his own increase and whoever gives to the rich, both come to poverty.**

*Proverbs 22:16*

Is not your nation lost its life because the rulers of your country do not realize the welfare of the people and they are unaware about the burden of their hardship? Is not the nation dying through the deeds of the rich and the wealthy, which do not even lift up their fingers to do any work and yet sip the lives of the poor people? The wicked spirits that give rise and stir such kinds of people have multiplied in your nation... Thus says the Lord “these wicked spirits must be bound”. (Voice of Trumpet 13.06.2012)

“

**WHOEVER IS GENEROUS TO THE POOR LENDS TO THE LORD, AND HE WILL REPAY HIM FOR HIS DEED**  
*PROVERBS 19:17.*

**3** There is none to bemoan for the nation. And the number of the men who seem to bemoan for the nation are also very few and the tears they shed is meagre. Their bellies are filled to the full and not shrunk with fasting which is why they cannot bow down with burden and are not concerned at all. There is no burden in their prayer at all rather it is filled with noises. Each man is seeking after his own fame. Can the nation prosper? Can the fetters of the nation be broken without sufficient intercession and goodly crying?” says the Lord. (Voice of trumpet 16.10.2012)

# Pray For Karnataka

*Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand. Isaiah 41:10*

**1** Behold a spirit of harlotry which works against women by rising up wicked people is hidden in wait all over the city. In the coming days it will become much more vicious. It will rise up against the girl children, it will rise up against the girls in their youths, and it will rise against women. In

order to kill them, in order to destroy them, in order to make them abominable and impure, in order to cast out their bodies on the streets. "It would be good if these spirits which thirst for blood are imprisoned"; says the LORD... (Prophecy revealed in Mysore, on 14th Feb' 2015

three wicked spirits ...  
**2** These three spirits are throbbing and are in wait to capture the city and state with their might. They need the blood of human beings, and they are going to plot many cunning stratagems in order to fulfil their purposes. Many murderers are going to rise up. Many blood thirsty people are going to rise up. These spirits are going to kill many people. In particular, they need the blood of women. The LORD God says; “My people rise up! These spirits should be bound before they commence their works”; says the LORD. If not, there will be weeping and screaming in your state, many

massive accidents will betide. You will see hundreds of people perishing. You will hear the gruesome ways of women being treated in many places in your state. These things are going to occur swiftly in the coming days. (Prophecy revealed in Mysore, on 14th Feb’ 2015)

**3** Few modest Ministers are going to be destroyed without even a trace of them left behind. Even if a search is let loose on them, they cannot be found. The thoughts of the wicked are dangerous towards this

state. Servants Beware! The enemy is trying to introduce many things which are against God in many Ministerial places. The wicked ones are going to surround many places. The LORD God says; “It would be better if your race begins before their race commences”. Whose race you might ask? I, the LORD, Am saying; “The race of a praying person should commence. Behold, the race of the one who stands in the gap has to begin ahead. Then My Churches will be protected. Then My sheep will be protected”. (Prophecy revealed in Mysore, on 14th Feb’ 2015)

Hence, pray that the Lord should protect him and guide him at every moment, to stay in His presence and fulfill his ministerial calling.
2. Pray that the Lord must protect His Servant from all evils and dangers: to stand in the office of a Prophet is a calling which the enemy abhors. Therefore, he will do anything to destroy the life of a Prophet or to tarnish their reputation. Pray that the Lord must protect Prophet Vincent Selvakumaar at all times so that the enemy cannot accomplish his craftiness.

Lazarus and his ministry from all the wiles of the devil and that the plans, wills and promises of God over him and his ministry be fulfilled.

## Evangel OTT Platform

1. Pray that the enemy should not obstruct or hinder in the smooth functioning of the services aired in the OTT. Pray that the Lord should bless the technicians and engineers, who are labouring in the OTT with necessary knowledge, skill and spiritual guidance to oversee the content and that the viewers /subscribers may draw closer to God after listening and watching the messages.
2. Let us lift up our hands and pray, so that the Lord may rise up His people and servants and that they may share their messages and lead the flock of God by using the OTT. The Spirit of God should visit them and that each message, which the servants share, may fulfil the purpose and will of God.
3. Pray fervently for the protection of the Lord to rest upon all the equipment, gadgets, software, and other cloud-based organizations that help the OTT to function smoothly. During the end times, there are possibilities that the churches may come under strict vigil and they could be asked to shut down citing several reasons. Under such a scenario, the OTT platform will be the only medium available. Hence pray for the safety, security and smooth functioning of the OTT.

# JOHN KNOX

## SCOTTISH RELIGIOUS LEADER

”Prayer is an earnest and familiar talking with God.”

- John Knox

Perhaps more than anything else, John Knox is known for his prayer “Give me Scotland, or I die.” Knox’s prayer was not an arrogant demand, but the passionate plea of a man willing to die for the sake of the pure preaching of the gospel and the salvation of his countrymen. Knox’s greatness lay in his humble dependence on our sovereign God to save His people, revive a nation, and reform His church. As is evident from his preaching and prayer, Knox believed neither in the power of his preaching nor in the power of his

prayer, but in the power of the gospel and the power of God, who sovereignly ordains preaching and prayer as secondary means in the salvation of His people.

Although Knox had been imprisoned and enslaved, and though he was often infirm and under threat of persecution, he consistently lived out his theology, believing that “one man with God is always in the majority.” As such, the prayers of one man heard at the throne of God were a threat to the throne of Scotland. During the time of the sixteenth-century Scottish Reformation, Knox’s ministry of preaching and prayer were so well known that the Roman Catholic Mary, Queen of Scots, is reputed to have said, “I fear the prayers of John Knox more than all the assembled armies of Europe.”

Above all, Knox was a committed pastor and churchman whose ministry served as a compass to numerous pastors throughout Scotland. Knox’s unwavering commitment to the pure preaching of the gospel was a bright and shining light amid the darkness in a nation steeped in doctrinal and ecclesiastical compromise. He reinvigorated God’s shepherds throughout the nation; this, in turn, reformed the church and, thus, in God’s providence, revived the country. Most notably, what inspired the pastors perhaps more than any other characteristic in Knox was that he did not fear men, because he feared God—he was a man willing to offend men, because he was unwilling to offend God.

John Knox preached and prayed to the end that God would rescue Scotland precisely because he was clinging to Jesus’ promise and prayer to save His people from every tribe, tongue, and nation. It should be no surprise to us then that when Knox was near death, he asked his wife to read to him the High Priestly Prayer in John 17 that our Lord Jesus prayed the night before He went to the cross. Knox called this passage “my first anchor.” For indeed, Christ is the captain of our souls and Christ’s prayer is the anchor and only hope of the nations. Therefore, in light of so great an example of God’s power working through one man, let each one of us pray with the same passion for our nation—and all nations—as Knox prayed for Scotland.
