# The Prophetical Light

A Handbook of prophetical prayer

1

“We also have the prophetic message as something completely reliable, and you will do well to pay attention to it, as to a light shining in a dark place, until the day dawns and the morning star rises in your hearts.” (2 pt 1:19)

# The Prophetical Light

## A handbook of prophetical prayer

This handbook has been handed over to you, since you have expressed your desire that you would be praying for the prophetical words which the Lord has revealed during these last days. This has been totally prepared with prayer so that you will pray.

During these last days, when darkness has started to engulf all around us, the word of God compares the prophetical words to a lamp in 2 Pet 1:19 and admonishes saying, that it is good for us to observe the prophetical words which the Lord has bestowed unto us, till the light of God perpetually shines forth in the world, that will keep us in bright light when darkness surrounds us. Read 2 Peter 1:19

"we have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place"

Through the above verse, Bible teaches us that the prophetical words which the Lord reveals, is used as a lamp, that guards us in bright light in such a way that darkness does not affect us.

Observing the words of prophecy, praying for them, acting in accordance with it and getting prepared, alone will guard us from darkness getting closer to us.

We have selected the prophetical words which the Lord has revealed, so as to prompt you – the children of God – who are living in these last days to observe the words of prophecy which the Lord has revealed and elicit you to pray, at a time, when darkness has started to engulf upon mankind, which will elude you from its consequences. Along with this, we have also included the prayer points in this handbook for you to pray.

When you observe the prophecies which the Lord has revealed and come forward to pray, there is absolutely no doubt that the prophetical words of God, which acts a lamp, will shine all around you and will keep you in bright light.

For this month, four prophecies are given in this small handbook for you to know and pray for one prophecy per week. You may read one prophecy each week and pray for that respective prophecy all through the week. If God willing, handbooks will be published every month, with prayer points for that respective month, that ought to be prayed on a weekly basis. In the handbook that you have, we have brought out the prayer points after each prophecy, for which you must pray for. Along with these prayer points, do pray for other intentions which the Holy Spirit prompts you to pray, by adding them to the list.

May the Lord be your perpetual light and keep you away and guard you from the terrible consequences until darkness disappears and light shines forth. Amen

In the service of Christ

# **EVILS THAT SHALL FALL PRIOR TO REVIVAL**

**FIRST WEEK**

DATE UTTERED :01.11.2014

PLACE : BANGALORE

These are the things which the Lord spoke concerning the things that shall take place in the nation prior to revival: "It would appear that tribulation will fall upon My people. During this period, a season of death has been appointed for your nation too. These deaths will be caused by deadly diseases, suicides, deaths caused by riots, deaths caused by water, by fire and through accidents. This too will last for a brief period of time.

However, during these days, it shall spread very rapidly and sweep away innumerable lives. When you happen to see them, ensure that you do not become weary nor get depressed but quickly execute your tasks. Enhance the speed of your prayer: Is it not I, who is holding the winnow so as to cleanse the nation and prepare the nation in order to accomplish My tasks? As a house is pulled down to cleanse it, have I not permitted it? says the Lord.

Moreover, do not ask saying 'we gathered together, we prayed; yet why this has fallen upon us?' These days have been allowed owing to your prayer. When the cleansing, which I expect, takes place in the nation, behold, these will change.

Prior to this, behold, a mighty spirit of revival will engulf the nation. During these days, when you see the tribulation multiplying in the nation, you must rise up and make use of these days and subvert and pray such that the

adversary will not intensify his deeds in the nation. Another group may arise and herald loudly so that the ears of the people hear, such that my people faint not in their faith, and you shall say "The God, who spoke, will He not do it? behold, days are coming... the days of fulfilment of the things He uttered, are coming. Thus says the Lord, "behold, the days are coming, wherein I shall perform My glorious things such that the one who sowed first, and the one who is waiting to see the harvest and will rejoice".

## **Explanation for the prophecy:**

The Lord has said that prior to revival, a wave of death has been appointed for the nation. The deaths will be caused by deadly diseases, suicides and riots. The Lord has also revealed that the deaths could even be caused by water and fire. The Lord tells us that during such times, we must not become faint hearted nor be weary and that we must quickly execute the tasks appointed unto us. We must enhance the speed of prayer. The Lord further reveals 'do not ask, saying, we prayed, and yet why this has happened? These days have been permitted because of your prayer.

Therefore, when you witness the tribulation getting increased, make use of these days and let one group pray such that the adversary will not execute his deeds. Let another group must shout loudly into the ears of the people saying "The God, who spoke, will He not do it? so that their faith does not decrease nor they become weary.

## PRAYER POINTS

1. Put on the responsibility to pray at the feet of the Lord and intercede such that deaths may not occur in the nation through water, fire, suicides and riots.
2. Since the Lord Himself has permitted the days of cleansing and preparing the nation, before the mighty spirit of revival could engulf, pray so that the things which the Lord desires may be fulfilled and commit the days into the hands of God so that the days of tribulation permitted by God may not prolong and that it may pass off.
3. Pray so that, when tribulation increases in the nation, we do not become feeble nor be weary and that we carry the word of God to the people diligently.
4. The Lord has promised that the one who sowed first and the one, who is waiting to reap the harvest will rejoice. Pray so that this promise may be fulfilled. Pray so that the Lord may be gracious such that we may reap the reward of every effort that we laboured for the revival.
5. Pray so that the cleansing which the Lord desires may take place in the nation and that during such appointed days, let the adversary be confounded so that he may not strengthen himself and execute the deeds of his hands. Also pray so that the Lord may command a steadfast zeal and strength such that prayers be continually lifted up during the days of tribulation.
6. Put on the responsibility and pray so that the children of God may not become weary and faint hearted by witnessing the incidents of death and the period of tribulation that are appointed for a brief period, and that during those days, the Lord may strengthen His children.
7. Pray so that the children of God may not give room for misconceptions and wrong opinions by witnessing the large number of deaths. Also pray so that the Lord may be gracious unto them, so that they may discern the will of God and run the race.
8. In order to ensure that the people's faith may not decrease, pray that a zealous generation, may rise up, who will explain all things to the people and let them shout loudly into the ears such that the people may hear, 'the God, who spoke, will He not do it?'
9. Pray binding all the forces that strive to bring doubt among the people and make their faith to waver, whereby they will say 'we gathered together and we prayed: yet, why, this has fallen upon us?'
10. Pray so that all the conspiracies of Satan that are brought out against the cleansing act, which the Lord expects in the nation may be destroyed.
11. Pray so that our Indian nation may be filled with a

mighty spirit of revival. Also pray so that a generation of people, who shall wait day and night at the feet of the Lord and pray, may rise up.

12. Pray obstructing the deeds of the adversary such that he may not make use of the permitted period of tribulation, and multiply the works of his hands in the nation.
13. Pray so that during the days of tribulation, the Lord may guard the children of God such that they do not decrease the intensity of their prayer.
14. Before a mighty revival could engulf the nation, commit the nation into the hands of God and pray so that Satan must not bring about riots and cause deep impact in the nation.
15. Pray such that when you happen to see large number of deaths caused by deadly diseases, suicides and deaths brought by riots, water and fire, we must become alert and strengthened so as to fill the nation with strong prayer and words of God.
16. Before revival shall engulf our Indian nation, pray so that the evil which the Lord has foretold may not touch us and that the Lord may protect us.
17. The Lord has said that after the passage of the evil days, a season of His glorious days will appear. Pray so that the Lord may bestow strength during these days for us to sow with all our might such that we may have a part in the glorious days.

## **TRIBULATION FOR A BRIEF PERIOD**

**SECOND WEEK**

DATE UTTERED :01.11.2014

PLACE : BANGALORE

Thus, say the Lord God: "Behold, prior to the onset of My mighty revival in the nation, a brief period of tribulation will usurp the nation. Although it will prevail all over the land and captivate various people, it will captivate even My people, who bear My name.

For, it shall captivate the Evangelists, those who govern the Churches and those who do ministry. Though it has been appointed for a brief period of time, it would appear that it is strong enough to hinder them from performing their tasks. Even though they may arise and are discussed to be promulgated as laws and statutes, and the rulers gather to support it, do not fear. Because the life span of the period of tribulation is very short. Very soon, it will change.

The office bearers of the nation will enter in many places. They will try to apprehend several servants of God in economic offences. Behold, they will try to cast out the servant from his position, to bind and paralyze him. These things ought to come to pass. These events ought to happen before the revival. When you happen to see these things, do not be dismayed and be cautious to lay forth your prayer as foundation. Draw out thy spiritual sword from thy sheath. Commence your spiritual battle. Some wicked spirits are conspiring to make use of these days to permanently raze down some ministries and also to create indelible scars.

When you witness the brief period of tribulation, it is important for you to put on the responsibility and stand in the hedge and pray, such that during those days, let not the tribulations exceed its limit and that Satan must not make it a common affair and cause serious repercussions. Lest, during this permitted period of days, the adversary will bring up innumerable consequences. The span of the tribulation is short". Thus says the Lord "Yet, keep in mind that on account of the prayers of My elect ones, the days will further be shortened".

### **Explanation for the prophecy:**

The Lord has said that a brief period of tribulation will fall upon such people, who bear the name of God, those who preach the Gospel, those who conduct the Church and those who minister. The enemy will work in different ways to make them pass through the narrow way, and hinder them by immobilizing their hands, so that the people of God may not perform at all. But do not be terrified: instead be vigilant to lay forth your prayer as the foundation. Draw out the sword of your spirit. Thus says the Lord "commence your spiritual battle". Since the Lord had promised, the people must fast and pray and humble themselves so that the period of tribulation may not cross the limit. This is the desire of the Lord.

### **PRAYER POINTS**

1. Pray so that the feet of the wicked men may not boldly and freely wander against the name of the Lord in the nation. Also pray so that we must not be

terrified and rather accomplish the will of God as per His desire.

2. Pray so that the Lord may guard the evangelists and those who manage the Churches such that the tribulation which may fall among them must not thwart them from accomplishing their tasks.
3. Pray so that during the brief period of tribulation which the Lord has permitted, let not the strength of the enemy be completely manifested and that they be restrained.
4. Pray such that during the days of tribulation, the people of God must not become faint hearted and weary and that they may pray very fervently and moreover, during those days, all the conspiracies of the adversary, which he initiates, must not cause any permanent scars upon the ministries and the servants of God, and that it may be subverted in the name of Lord Jesus.
5. As recorded in the Bible that the cleansing shall begin from the house of God first, likewise, when the cleansing begins, which the Lord commands, let it not be a cleansing of whip made out of the scourge rather be a cleansing through the Blood and that the people may commit themselves unto it.
6. Although the Lord has foretold about these things, pray so that our hearts may not be hardened and that we may like Lydia open our hearts to give heed to the words of God.

7. As Wheat is separated from the Chaff, pray so that during the period of tribulation, may the Lord manifest the difference between false servants and faithful people of God and that the protection of God may rest upon the children of God.
8. Pray so that during this brief period of permitted days of tribulation, the children of God may guard their faith and that the Lord may protect them by His grace, such that they may remain steadfast like Job in their faith.
9. Pray so that all the conspiracies of the enemy be destroyed and may not prosper, whereby he will try to falsely accuse the servants of God and defame the pious work that they have performed and seize innumerable people from the flock of God.
10. In accordance with the counsel by God, wherein He says, even though cruel tribulation falls upon the people of God, fear not, and be careful to lay your prayer as foundation, pray so that we may draw our sword and chase all the wicked spirits that work against the ministries.
11. Pray such that you may discern and chase the wicked spirits that greatly impact the ministries by striving against those who preach the Gospel, and those who conduct and manage the Church and those who perform My ministries.

## THE CLANDESTINE EVIL

THIRD WEEK

DATE UTTERED :01.11.2014

PLACE : BANGALORE

When I was waiting at the feet of the Lord, and praying, so as to receive His word, the Lord spoke to me concerning the nation of India, saying "blood thirsty men and manslayers have elevated themselves with power and authority. They have strength, power and authority such that they can accomplish whatever they wish to execute. Even before they could assume power, I had forewarned you but you disdained it and did not give importance unto it. Because of this, you are witnessing evil deeds taking place one after another. You know very little of what is happening externally. But the deeds taking place clandestinely against your nation are large. If I were to speak about them, you will not be able to bear it: their mystery is great".

As I continued to wait, the Lord spoke further saying "every deed which the elite people of your nation perform are anti-human and acts that kill the people. By exploiting the humble and poor, and apportioning it with the mighty, and perverting the justice of the poor and forfeiting their livelihood, they are trading it with the wicked, so as to multiply their wealth and possessions.

The poor and the humble people, are being forgotten in the nation. When they are affected and shed tears, there is none to care: there is none to console them either. Externally they pretend as if they are very much concerned about the poor, but behind their backs they mock and ridicule them. The strengthening factors that empower them are coming

not from one nation but from several nations. Their plans are being sourced from them. This is the result of the evil that is being carried out in the global level.

This nation is required, for revival, which I shall perform so as to manifest the glory of My name. Therefore, in order to ensure that this evil shall persist no longer, this is time for My people, who bear My name, to rise up and accomplish My purposes, with prayer, fasting and make war. Utilize the sword and the authority that I gave you and subdue the wicked powers and dominance that is destroying the nation. I am the Lord God, who multiplies the strength to the one who is burdened about My purpose and might to the one who prays, and will make them victorious.

### **Explanation for the prophecy:**

The Lord has revealed that blood thirsty men and manslayers will be elevated, possessing power and authority in the nation. Even before they could assume the position of authority, the Lord had forewarned and yet, we did not take it seriously. The Lord has also said that some deeds are taking place secretly, which we cannot even comprehend. If we do not put on the responsibility to pray for the nation which the Lord has chosen for manifesting His glory, evil shall continue to abound in the nation. Therefore, the Churches and the servants of God, must throw away their negligence and assume responsibility, this is the counsel that the Lord offers unto us.

### **PRAYER POINTS**

1. Pray so that the bloodthirsty men and manslayers may not be elevated and that they may not gain more power and authority and that the Lord may stop all their malefic deeds which they are intending to perform in the nation.
2. Pray so that the Lord may command separation, division and confusion among the wicked men, in such a way that they will not gather together and multiply the evil deeds in the nation.
3. Pray so that the Lord may bring to light the wicked men who work against the nation and that He may strip off their mask from them.
4. Pray so that the nation may be taken away from the hands of the wicked and that the governance may be handed over to the one, who is really burdened and strive for the poor people of the nation.
5. Pray so that we may undermine the enemies who have authority and strength and that we may not treat them as important and instead we accomplish the will of God. Also pray so that the Lord may bestow such strong faith and steadfast heart to His people.
6. Pray so that the wicked men and wicked spirits which execute evil one after another in the nation, may be bound such that no evil shall occur in the nation.

7. In the name of Lord Jesus, obstruct all such acts, whereby man rises up against man, and the unjust men, who exploit the poor and pervert their justice and all their actions may be thwarted.
8. Pray so that the works of the wicked men, who, in order to enhance their wealth and possession, exploit the poor and destroy their livelihood, may be subverted in the name of Lord Jesus.
9. Pray so that the Lord may put a fence around the people of our nation and protect them such that the evils from other nations, may not consume the people in our nation.
10. Put on the responsibility in the name of Lord Jesus and pray so that the very root of the evil deeds that are privily carried out, which destroy the nation, may not establish and that they may be subverted.
11. Pray fervently so that the feet of the wicked and unrighteous men may be bound such that they may not courageously wander in the nation.
12. Pray so that the bloodthirsty men and the adulterers may be thwarted in the name of Lord Jesus such that they may not execute their deeds either secretly or publicly in the nation.
13. Pray committing the nation into the Blood of Jesus Christ so that the wicked deeds may not take place in the streets, roads and places where people gather together.
14. Pray fervently so that the plans of those who afflict the poor and portray themselves as strong and mighty may be destroyed.
15. Pray so that the Lord may protect the nation so that the adversary should not torment the nation before departs. Pray all such powers that torment the nation and bring hindrances to the revival and the will of God from being accomplished., may be confounded.
16. Pray for the destruction of the conspiracies of Satan which causes riots and bloodshed causing the nation to shriek and scream, and that peace may prevail in the nation.
17. Although the adversary may execute several deeds in the nation to terrify the people, pray so that the children of God may not be afraid by looking at them and that they may remain firmly enrooted in the Lord.
18. During these days, wherein Satan's time is drawing to an end and he is striving to strengthen himself, pray so that the warriors of God, may arise, who contend against him with the strength and might of God.
19. Pray so that the Lord may command strength to warriors, who have obtained the calling of fighting the battle, may resist the enemy and that they may

not become weary or depressed on seeing all the problems and that they may begin their spiritual war without any delay.

20. Put on the responsibility and pray so that the people of God may recognize the authority which the Lord has granted unto them and that they may act accordingly such that the enemy who contends with them be altogether destroyed and that, in order to prevail against him, let them recognize the authority which the Lord has granted to them.
21. Pray so that the wicked spirits which were worshipped as gods and goddesses by the Canaanites during the ancient days, and which multiplies their strength by causing the bloodshed of mankind, may not execute the work of their hands in the nation and that they may be immobilized and in the name of Lord Jesus, they may be chased out forever.
22. Pray so that the Churches and the ministries, may throw away their negligence, such that the evil may not persist forever and that they may put on the responsibility and strive zealously for God, so that the will of God be fulfilled in the nation.
23. Pray so that every plot of the wicked men, who, in order to strengthen themselves, have opened the gates of the nation to the strangers and aliens, through which, they intend to multiply their wealth and money, may be annihilated. Also pray so that the Lord may strip their masks and that He may bring to light all their evil schemes and plots.

## **SPIRITS OF SATAN THAT VIOLENTLY TEAR THE NATION**

**FOURTH WEEK**

DATE UTTERED :01.11.2014

PLACE : BANGALORE

The Lord God expounded unto us the details of the events that shall take place, before the adversary could be chased out of the nation by saying “in the coming days, you shall witness very cruel and horrible deeds taking place in the nation. For, wicked and evil men, will courageously wander in the nation. Manslayers, bloodthirsty men, adulterers will roam around the nation right before the sight of several men. They will execute their wicked deeds comfortably in the streets, right before the eyes of men and on paths and at such places where men gather in large numbers. None will be able to question nor hinder them. One of them, will call himself as the guardian of the religion, while another will call himself as the guardian of the tribe and yet another will call himself as the guardian of the culture. These will oppress and afflict the humble and try to portray themselves as strong and mighty.

Behold, the way adversary tears a man, before he is chased out from the one whom he has caught, likewise, he will tear and totter the nation, at a time, when he will be chased out from it, and like the demented, he will rip and wobble the nation like the one, who falls down like the way a possessed falls down. This is one of the deeds of the enemy to tear and sabotage the nation. Not only this, there are many other deeds. When the nation is terrified by the riots and bloodshed activities administered by the wicked, and when you witness the people fleeing out of fear, be not afraid. neither move away.

This is one such violent seizure of these spirits, wherein they terribly shake the nation, before being chased out, for they

know that they have but a short span of time and within that, they want to strengthen and establish themselves in the nation.

Before you could rise up and set out to contend against these spirits, in the manner I commanded and rebuked, likewise, you must also rebuke the wicked deeds and the spirits that are working behind such acts. When you are filled in the spirit, and rebuke them by making use of the authority, and command them, these will get repressed. This wicked spirit, which is trying to rip apart the nation. Through mean and debased men was called as Morpheus during the ancient days. This bloodthirsty wicked spirit, portrays itself as a Lion, and will seek to ravage the mankind. It was this spirit, which made the Canaanites to shed blood in the ancient days “Rebuke them and they will get subdued” says the Lord.

### **Explanation for the prophecy:**

The Lord has revealed that before the enemy could be chased out, a certain event will take place. Manslayers, adulterers will wander in large numbers right before the sight of men. None will be able to question them nor hinder them. One will portray himself as the guardian of the religion and another will call himself as the guardian of the race. The Lord has revealed that these men will oppress the humble people. Nevertheless, the Lord has instructed us not to be terrified of them nor move away. If these wicked spirits are to be chased out, the Lord has counselled us that like the way He commanded and rebuked, we too must command and rebuke, wherever we come across such wicked deeds.

### **PRAYER POINTS**

1. Pray so that the spirits of Satan, which have descended to violently rip and tear the nation, may be bound. Pray so that the works of the bloodthirsty and adulterous spirits, may not be manifested in the nation and that they may be bound in the name of Lord Jesus.
2. Pray such that the so-called guardian of religion, the guardian of race and the guardian of culture may not arise and that, all their sinister deeds which bring divisions and riots in the nation, by portraying themselves as the leaders of the people, may be thwarted.
3. Pray so that the works of the wicked spirits which are brought out to afflict and stumble the nation may be bound. Also pray so that the evil works of the wicked spirits which tear the nation through riots, arsons and bloodshed, may be confounded. Pray such that the acts taken up so as to strengthen these spirits that are taken up clandestinely, may be destroyed.
4. Pray in the name of Lord Jesus such that the wicked powers of these spirits, which, having learnt that they have a short period of time, may not intensify their deeds and they must not get established in the nation by strengthening themselves.
5. Pray in the name of Lord Jesus so that the wicked spirit, which was called as Morpheus during the ancient days, and try to rip the nation through mean and debased men, may be bound.
6. Pray so that the conspiracies of Satan, which unleash

evils, one after another, may be destroyed and the handiworks of such men, who join their hands with him, may be thwarted. Pray so that those, who follow after them, may depart from the wicked deeds.

7. Pray so that the Lord may bring up large number of warriors, who are called to fight against the wicked spirits and that He may fill them with His power and might and that the strength of God may sustain them such that the Canaanite spirits, which come out, may be chased away permanently from the nation.
8. In accordance with the word “do not be dismayed, nor move away” pray so that the people of God may not be dismayed and that they may remain steadfast in their faith and accomplish the will of God, especially when they witness riots that are executed by the wicked, and bloodshed and when the nation screams in anguish and the people flee in fear.
9. When wicked deeds multiply greatly, pray that so the faith of the people of God may not waver even a bit and that the Lord may fill them with His spirit of zealousness and guard them.
10. When the nation screams violently and the people run in fear because of the riots and bloodshed caused by evil men, pray so that the people of the Lord may not be afraid and remain steadfast in their faith. in accordance to the words of the Lord “You do not fear, not move away”. Pray also that we do the will of the Lord with all our strength.

## PROPHETIC PROPAGATORS MISSION

The ministry of Prophetic Propagators' Mission is a recent commandment of the Lord, which we must accomplish. Propagators are the people, who proclaim or spread. that is to say, it is the ministry of spreading or proclaiming the prophetic words of God.

Although, it is customary for the Lord to speak to His people from time to time, yet, during the times of oppression and affliction, He speaks all the more and forewarns, counsels and guides His people. We can call the current period that we are living now as the period of the beginning of sorrows and tribulation, all over the world. That is why, at present, the Lord is specifically revealing His words to the Churches and His people.

The messages which the Lord reveals to His people, is used as a light that is adequate enough to guard them during the times of darkness. This is what Peter has written as a counsel in his Epistle. Read 2 Pet 1:19

we have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place”

When science was not developed, darkness must have been the one thing which must have terrified the people. During those days, when it was evening, people would be afraid of the approaching darkness. They would cleave unto their

places even before the night could fall upon them. When once the use of lamps came into existence, they rid themselves from the fear of darkness and used the lamp. Later, they started to spread the light of the lamp, which they invented, even to the streets. Thereafter, they were relieved from the fear of darkness and started to walk freely in the streets and outside. Today, since we have gained the knowledge to turn the darkness of night into the light of the day, none of us are terrified of the darkness nor exaggerate about it.

Likewise, a fear of the period of darkness is terrifying the people today. The dreadful situations prevailing in the nation and news of oppressions against the Churches, evils that frighten the society, are striking at us one after another like the waves of the sea. During this time, when darkness has started to wrap us like a cloud, the Lord reveals His prophetic words, so as to sustain us in the light.

Bible tells us that these lamps are adequate enough to sustain us till the darkness moves away and the morning light appears.

Therefore, we must not be negligent towards the prophetic words of God, which He reveals to us during these last days. It will pave way for darkness to captivate us. Hence, we must know what we ought to do in this matter.

Firstly, gather and discern all the prophecies that are proclaimed around you and assure yourself of their credibility. Observe intently about the prophecies that are to be prayed for and pray very fervently for them. You can do this either as a group or as a family or as a congregation.

Secondly, share and spread among others too, the

prophecy, which is the light, that can shine forth all around. The gentiles may not know about the prophecies: therefore, propagate this amongst the children of God. When many people start to carry the lamp in their hands, the territory of light will increase.

Among the prophetic words which the Lord has uttered through our ministry, we have picked up some words which are meant as a warning to us and to guard us through prayer and we have compiled and published them in small handbills so that you may pray and also distribute it to others. It is the faith that by spreading the light all over the place, we can overcome the darkness, that leads us in this ministry.

Should you wish to join with us, by consenting to spread the light along with us, either you can pray obtain the copies of the words of the prophecies that are to be prayed for and do pray for them. Or secondly, you can obtain the handbill copies of the prophecies and propagate it amongst the children of God. We are ready to assist you in any of the above task that you come forward to do.
